### ***Supporting a child with Education (kalvidhanam)***

Educating deserted children is one of our topmost priorities. Providing a conducive environment that facilitates high quality education is what we believe makes an impact. You can sponsor towards a child or many children's education & support as follows:

<b>No. of children</b>	<b>Cost per month</b>	<b>Cost per year</b>
1	Rs. 4,000 [\$60]	Rs. 48,000 [\$720]

Please note that these expenses support each child's school (books, notebooks, uniform, pencil/pen, educational kits etc) & other ancillary education support expenses like, stay, food, clothing, sports, library, recreation, counseling & related sessions (arts/crafts/music/yoga etc), homework help resources, spoken English resources, use of technology (Skype classes, computer labs, smart boards, tablets, Internet devices etc), medical aid, incidental etc. Our primary task is to give our children quality education, hygienic and nutritious food, simple but elegant dress, and thus build an atmosphere which is ideal for physical and moral upbringing.

### ***Supporting an Elder (anbudhanam)***

While we take a nominal amount from pensioners as maintenance fee to support their basic needs, however, we are in need of more support from kind donors & well wishers like you to meet the daily expenses. Also, not all the elders get pension, and many do not have enough or any saving to support them in the fag end of their life. Most spend all their earnings towards their children for their education, marriage, and their upbringing to shape their life. In the end, they are in search of a home for aged without enough money to support themselves in as much as they are left abandoned.

You can sponsor towards an elder or many elders as follows:

No. of elders	Cost per month	Cost per year
1	Rs. 2,000 [\$30]	Rs. 24,000 [\$360]

Please note that these expenses support stay (bedding, room etc), food (including any special needs), hospital/medical care/medicines, housekeeping, gardening, library, counseling, physio, yoga/meditation, special furniture, recreation/entertainment, temple visits, last rites, incidental etc. Couples stay in well-equipped couple cottages with kitchen as well.
